

Residential

SNOW AND ICE MANAGEMENT

Town & Country Enterprises has been locally owned nearly 45 years, specializing in low-tolerance snow & ice management. We look forward to providing you with great service this winter.

Servicing November 15th Through April 1st
Snow Plowing Twice Per 24 Hour Period

For overnight snow accumulations of 2" or more by 12:00 midnight will be cleared by 7:00am, assuming no additional snow accumulates after plowing has begun.

Snow accumulations of 2" or more after 12:00 midnight may be cleared after 7:00 am.

For daytime snow accumulations of 2" or more by 10:00 am will be cleared by 5:00 pm, assuming no additional snow accumulates after plowing has begun.

Snow accumulations of 2" or more after 10:00 am may be cleared after 5:00 pm.

Driveway approaches will be cleared of excess snow placed in them by street plows at the time of the next visit.

Marker stakes will be installed along the edges of the driveway as needed.

We do not guarantee a slip-free surface.

For a great start to your lawn come spring, be sure to purchase our Lawn Damage Repair Service.
